1. Coalition Updates

a. Coalition Roundtable

- i. Review current applicants – the Executive Committee (EC) discussed the 13 applicants’ strengths. The EC discussed gaps in representation, such as equestrian, agriculture and a tribal representative. They also acknowledge that every seat does not need to be filled right away. When others start to see a functioning roundtable, more interest will likely come about.**
- ii. Applicant “interview” questions – The EC came up with three questions for the applicants. The questions will be presented to the applicants after the application deadline of August 15th.**
- iii. Schedule applicant interviews – The EC will have two weeks to review applicants’ questions.**
- iv. First Coalition Roundtable meeting in Q4 discussion - The first Roundtable meeting will be September 3rd. This meeting will be to seat the applicants, set meeting protocols and discuss the goals and objectives of the Roundtable.**
