

[The Outdoor Recreation and Conservation Plan and Upcoming Public Meetings](#)

This plan sets goals and strategies to provide direction for the maintenance of high-quality outdoor recreation opportunities while balancing conservation of natural and heritage resources, working lands, and wildlife populations.

Step 1: View the Draft Plan

We invite residents of Montezuma and Dolores Counties (and all who care about our region's lands) to review the draft Outdoor Recreation and Conservation Plan and Action Planning Matrix.

These documents were developed through collaboration with local governments, land managers, community organizations, and representatives from a wide range of interests including ranchers, motorized recreation users, conservation advocates, and more.
